**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

NO to price hikes that will increase the cost of internet and telephone services.

When we had at&t our internet service was slow and EXPENSIVE. For years here in the middle of Silicon Valley we had terrible service from the major carriers. Now for the same price we get 10x the speed.

Please please do not stifle competition and hurt consumers!

Thank you,
