**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to iterate again that if competition is removed by the FCC by dismantling portions of the Telecommunications Act then I will be materially affected as I have DSL on unbundled copper from Sonic.net over AT&T copper lines so I would loose service. I would not then reward AT&T (I refuse to do business with AT&T) and additionally I will not use Comcast Xfinity either. Both these companies services are overpriced and they both lack competent and effective customer service.
