**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition, the more the better for me. I have purposely selected to get my broadband through an Independent semi-small provider for at least 14 years now. They offer me great pricing but more importantly they provide fabulous service and are locally based which is extremely important to me. I cut the cord with AT+T and Comcast and never want to return to them. STOP the conglomerates from taking over my world and forcing me into "packages for my benefit" that I neither need nor want. KEEP BROADBAND COMPETITIVE!
