**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer and small business owner who supports broadband competition. We must have MORE competition not less to promote quality and cost affordability. There is already less quality in both phone and internet service as well as products! We must maintain competition.
