**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net as my local ISP because the huge companies like Comcast and ATT failed to meet my needs for years. It was the best decision I had made and I recommend using local ISPs to everyone I know who has the same issues. As such, I feel that competition in this market is extremely important and crippling smaller providers with increased costs is very bad for consumers.
