**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic for Consumer fiber to the home internet service with up to 1Gig speeds down and up. Prior to Sonic, I had AT&T DSL internet with up to 12M download. For years, AT&T response was that fiber wasn't available in my area (San Francisco) due to Government restrictions. Thanks to Sonic, I have great, reliable, fast internet service. Please do not restrict Sonic or the broadband competition.

Thank you.
