**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have residential internet and phone service from Sonic, and the quality of the service is excellent, due in part to the competition in the area. Service from the major national companies is poor and would be even worse without the competition from local providers.

To diminish this level of competition would be a serious disservice to the many consumers like us.
