**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of a local carrier (Sonic), and rely on their broadband and fiber services for my job at home. I use fiber at home, and my family and I rely on the internet for our own projects and on communicating to our relatives around the world. We need competition in our home town and the ability to choose the carriers that best fit our needs with quality of service and affordable costs. Please do not let AT&T and other big businesses disrupt how local communities purchase and choose our providers for fair use. Thank you.
