**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition.

I chose a competitive provider because its cheaper price for better service. I get fiber for the price of dsl.

Say NO to price hikes that will increase the cost of internet and telephone services.

Tell them why broadband is critical to our home for everything.

I have fiber today but was previously connected with competitive DSL with the same provider. Larger companies never provided me this service.
