**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not proceed with the proposal to reduce broadband competition. In our capitalist society, the backbone of competition is to allow all to compete in the marketplace, not just a few large corporations.

I had AT&T internet service prior to moving to Sonic. AT&T' level of service for the price was significantly worse than I am receiving today from Sonic.
