**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My internet and telephone service are provided by Sonic.net, a carrier serving the San Francisco Bay Area. I am a senior on a fixed income and will have to give up internet service if rates are increased. I rely on the internet for news and connection with the wider world. Please consider the effects of deregulation on low-income and senior customers who rely on the smaller companies to deliver internet and phone service at more competitive rates.
