**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer with local competitive telephone and internet service, I vigorously support broadband competition and say NO to price hikes that will increase the cost of telephone and internet service. I cannot emphasize that strongly enough, as I treasure the choice and advantages of local competitive telephone and internet service!
