**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My Sonic broadband connection is vital to my business needs as a self/employed disabled vet. Changing the system so as to remove my residential designation will materially affect my well-being in many negative ways. I do not understand why the FCC keeps trying to take away my broadband. Please stop.
