**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

USTelecomm's petition to the FCC falsely asserts that there are no telecom carriers that us unbundled copper and inter-city UNEs to provide service to residential customers. Sonic.net (Santa Rosa, CA) does, and I buy my residential and small-business internet and phone service from Sonic. It costs less than AT&T, and works better, and the customer service is head-and-shoulders better.

Please disapprove USTelecomm's petition in the interest of competition, reasonable prices and good customer service.
