**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic, a competitive provider, because I want the freedom to use a local, small internet and phone provider. It's ridiculous how much we have to pay for these services all ready and I say NO to more price hikes that will increase the cost of internet and telephone services by cutting competition. Please support broadband competition. I refuse to pay for AT&T's billion dollars of debt.

Thank you,
