**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is critical to healthy capitalism. Competition breeds better tech and offerings and leads to better prices for consumers. Stifling of competition is the playbook of a monopoly.

Fiber is critical to business development and the advancement of our nation. I am moving to an area with fiber access from a DSL area and could not be more excited!
