**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I fully support broadband competition. I have struggled with good affordable broadband access in San Francisco until Sonic came along. Their service is so much better than anything offered previously at a fair price. They are the best broadband company in the space and would be unfairly penalized by this proposal you are reviewing
