**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition to keep the cost of Internet and telephone services down.

I currently use a broadband service provider and would like to keep this option. I prefer to support a local business over giant corporations.

There are very few choices in nearby rule areas which limits efficiency and cost more.
