**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I say NO to price increases that are meant to increase the cost of internet and telephone services.

I understand that big telephone companies are seeking deregulation because they want to pass on a big price increase on all broadband customers like myself.

Please stop big telephone companies like AT&T from raising prices and cutting off competition.
This is so wrong.

Please do the right thing!
