**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I firmly support broadband competition. My area would have extremely limited and slow internet connectivity options without providers like Sonic, and that access is essential to both my work and my wife's business.

We previously had internet and phone through AT&T, which was almost unusable, and Comcast, which was incredibly unreliable, overpriced, and also slow. Our current plan through Sonic is affordable, fast, and extremely reliable.

Please help STOP Big Telephone companies like AT&T from abusing their monopoly and raising prices and cutting off competition.
