**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community and there is no cell phone reception at my home. I have to have landline. Providers for landline phone and internet are critical and I need a provider I can afford as I am retired on a fixed income. Any increase in the cost of internet and and telephone service would really impact my budget. Sonic is a competitive provider who is offering me the best rate. Please do not allow price hikes that will increase my cost.
