**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on these services, and that I oppose this petition. I choose a competitive provider for fast, affordable internet and phone service. More competition is good to avoid price hikes that will increase the cost of internet and telephone services. I do my business at home and broadband is very critical for my business. I have fiber today but were previously connected with competitive DSL also I have competitive telephone service too now.

Thank you
