**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a Sonic customer in San Francisco. I suffered from poor service from the 'leading' vendors, even though the area in theory should have a lot of competition. Please maximize broadband competition, protecting the smaller vendors such as Sonic. We're already suffering from the effect of mega-web sites such as Facebook and Google strangling innovation, so let's not double-down by wiping out broadband vendor choice as well.
