**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a very satisfied customer of Sonic for over 15 years. Their service has always been excellent - unlike the existing competition.

As a Sonic customer I would be "materially affected by the proposed deregulation and inevitable price hikes that would follow - increasing the cost of internet and telephone services.

I support broadband competition. This allows me to be able to choose the best possible service at the best possible price.
