**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who would be materially affected by any regulatory changes that diminish competition in the market for internet services. I strongly support competition in the market for broadband.

My provider, Sonic, gives me with telephone and internet service for \$500 per year less than any other telecom company in my area. It also provides customer service that is far more responsive than what the big guys offer.

Please reject the petition from USTelecom to modify the 1996 Federal Communications Act.
