**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to my home. Without competition providers are able to hike up prices making internet service extremely expensive. Especially in San Francisco, where cost of living is already so high, we need to have affordable internet service. Comcast doesn't provide low cost options and internet speed is often slow forcing customers to upgrade for ridiculous rates. Keep the competition to create affordable options for customers.

Thanks,

Kayla Clark
