**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of broadband services in a major metropolitan area. Currently, there are only three providers that offer service in my neighborhood. This limits my choice.

My home phone service is bundled into my current package. AT&T does not offer a similar bundle. This takes away my choice.

AT&T also forces me to buy their hardware. This would take away my choice.

A bumper sticker commonly seen in California before the Baby Bells referred to AT&T thusly: We dont care; we dont have to. Lets not turn back the clock and have to reprint that bumper sticker.
