**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am someone who supports and is a small business owner. The guise of taking away competition broadband service is not helping anyone. I am a user of Sonic and fiber and am thankful for them fighting for us and our rights and THEIRS too.

Stop pretending to be for the every person. This is self serving to major corporations to make more money off of us.
