**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential broadband consumer. I use these services to provide internet for my family at a competitive price. The douche bags over at USTelecom trying to manipulate the market in their favor, by petitioning the FCC is a prime example of why most Americans distrust our government institutions. It's time you start working for the people, and stop favoring corporate donors looking to take more than they need. Do the right thing.
