**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of the thousands of satisfied high speed internet customers just in San Francisco alone who would be harmed by dismantling the 1996 Telecommunications Act.

Leave this in place to support our economy and help independent businesses. By dismantling the protections the FCC will be giving unfair advantage to big business and preventing our American tradition of small business entrepreneurship keeping our economy strong.
