47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Why are you trying to squash competition? Isn't that the definition of a free market?

I use Sonic and if you go through with this my service will be impacted and my choices limited to giants who force me to purchase products I don't use to access a subpar service at higher prices (lookin' at you, Comcast).

I thought we had rules against monopolies in this country and yet I'm watching as a dozen companies start to own and run everything, doing everything they can to squash competition.

This is ridiculous. Do your job.
