**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

PLEASE LISTEN! STOP THE BIG PHONE COMPANIES FROM TAKING OVER!!

Having access, and now I must add, privilege to use local internet providers is vital to our democratic and free society. Not to mention, my own wellbeing! The big companies are an insult to my intelligence, I loathe them! They are bullies! Greedy capitalism to the nth degree! Poor service, and ridiculously expensive!!

I could give many examples but I choose not to take the time to breathe any more life into their toxic system!!

PLEASE STAND AGAINST ANY MORE CORPORATE GREED, show some integrity, take of the people!

Let the small local internet providers remain and grow, take care of and serve their communities!!  
We need them!!
