**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

NO to price increase!!

Things are high enough without additional increases for Internet & Telephone services.

I am against anything to do with AT&T or any of the larger companies. AT&T's service is horrible, their equipment is in deplorable shape. Sometimes not every thing is connected properly & the customer suffers the consequences I am for the competition of other companies who are more interested in providing good service & value their customers.
