**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently rely on the service of a competitive provider for my voice and internet service. I oppose the petition to end competition.

I am sick and tired of the largest corporations in this country being able to buy favorable treatment from government, literally at the expense of the general public.

Are you working for the people or for the corporations? Your decision will tell the world your answer to that question.
