**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The wife and I are both self-employed, work from home, and BOTH rely on unbundled copper residential services for phone and internet. We chose a competitive provider for both price and service, and have enjoyed their service for nigh a decade or so.

This is a critical service for our income. We therefore *oppose this petition.*

Please don't kill telecom competition and our access to fast, affordable internet and phone service in yet another. big. telecom. market grab.

Thank you,
