**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic for my DSL a few years ago after struggling with both AT&T and Comcast, which provided terrible service AND even worse customer service! I HATED them both, and they raised their prices and raised their prices. Sonic is reliable and its prices are stable and it has wonderful customer service. Please do NOT force me to have to deal with those big, greedy providers like AT&T or Comcast. PLEASE! I need at least one break these days, and I am so happy with Sonic. I was loyal to AT&T for many, many years until I realized it wasn't the same company that I knew from my youth. Please let me have my wonderful telephone and internet Sonic service!

Please Please Please!
