**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a business owner in a semi rural area. We rely on copper to get from the fiber to our factory. Our well-loved local ISP must have fair access.

In the past I have used ATT, Comcast, and Verizon and HATED them. I am so pleased with the service we get from Sonic, our local service provider. They are awesome.

Dont cut companies like Sonic out of the marketplace.

Thank you
