**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose sonic for fiber internet in my neighborhood because they provide an awesome service at a great price - it's way faster the comcast connection I had before. My wife, daughter, and I all rely on our internet connection every day for work, school, and of course entertainment - YouTube and Netflix.

Please don't change the rules to make it harder for providers like Sonic and increase prices for consumers like me.

Thank you!
