**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Your mandate is to provide meaningful oversight for the people's spectrum. Competition is needed, and is truly the American way. Many people do not have a meaningful choice of broadband internet providers, and it is up to the FCC to protect choice, and enhance competition. Millions of people across the country urge you to say NO to price hikes and diminished competition!
