**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Until I was able to get fiber service through Sonic Inc., we were stuck with the crappy inconsistent service of ATT and Comcast in San Francisco. Please tell me you are not going to void the portions of the 1996 Telecommunications Act that provided for independent providers to serve fiber connections.

I thought Trump's FCC was supposed to protect competition??? Please reconsider the consumer's interest instead of big business this time.

Ryan
