**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has been a significant improvement in cost-benefit to our household over our previous provider. That earlier provider acted as though they had a lock on our account and time after time, raised our monthly charge...very annoying. A reduction in competition would be a big step backward...in our humble opinion.

Please keep this potential negative effect in mind when you consider this important issue.
