**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition - it keeps prices down for the services I need as a home consumer

I can choose AT&T (via DSL), Comcast (via cable TV) or Sonic Telecom for internet and phone service. Over the past 20 years I have used all three and two years ago have settled on Sonic as the best option for my household.

As a fiber connected customer (installed by Sonic) they provide the fastest broadband connection - AND the phone service is also the lowest cost.
