**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I was an ATT customer but wanted to change to a competitive provider, so I was very happy when Sonic became available in my neighborhood. I now have fiber, which I didnt have before, at a better price than ATT, and I have phone service that is cheaper than ATT. In addition, Sonic is a local business I am happy to support. Please do not take away broadband competition.
