**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm writing to object to USTelecom's to dismantle key components of the 1996 Telecommunications Act. I've had Sonic as my internet provider for several years and I support them because of their excellent services and price.

There is not nearly enough competition in our choices for broadband services, and it is disgraceful to me how large companies like Comcast and AT&T have become like monopolies in our country.

Please give more companies like Sonic a chance to compete and let us consumers have choices.

Thank you.
