**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior-citizen living on a very small fixed income and can not afford to have my internet and phone services increase by being forced to use another server. Sonic has given me the ability to have these things and keep up with the world and my friends.

We are limited too much these days to choose the servers / or many other things we want. Please do not stop the competition.

Keep the playing field equal for all.

Thank you.

Megan Clark
