**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I totally support broadband and telephone provider competition.

I have both at my office and at home...I know my office location only has 2 providers who can service the building and so if competition gets reduced, it may force me to go with only one provider, which is unfair.

Currently, I am very happy with my provider, but if we lose competitive Telecom, I suspect my rates will go up and I will be stuck with no choice.

Please save Telecom competition.

Thanks!
