**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We the consumers need competition. Do not allow the giants to squeeze out the smaller players in the market. The access to the internet is important for all consumers. Along with internet we get great competitive phone service. Not everyone can afford expensive cell phones and wireless service. I depend on my landline phone.
