**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family depends on a local ISP, Sonic, for our internet service. We currently are using DSL phone line service including Traditional Phone Service so we can keep an operating phone line for our neighborhood in times of emergencies such as fire and earthquakes which are common to our area.

Our loyalty to Sonic has been rewarded with competitive pricing and outstanding customer service.
