**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

USTelecom's claim that there are no carriers who use unbundled copper and inter-city fiber transport elements to compete in the residential marketplace is FALSE. There are! And I use one.

Stop catering to large telecoms! Don't enable monopolies. More competition is better. Please leave the 1996 Telecommunications Act alone!
