**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive provider for my internet and as a result have cheaper and far more efficient and better service. It is a tremendous improvement over what I received from ATT. It is tremendously important to have competition for broadband or we will be at the mercy of a few companies who have a monopoly on our internet messaging. Please keep our local companies in business and our good service continuing by protecting our broadband competition, one of the tenets of a free society.
